

R-V Electives Registration Form

During the Guitar Making & Repair Course we are making available several 'elective' courses. These courses take place on weekends, and evenings. For course descriptions, instructors, and cost information please read: R-V Course Electives.pdf.

To register, check the courses or workshops you'd like to sign up for, and return this form with a check. Each course requires a \$100 deposit. The remaining workshop fee amount is due on the first day of the 'electives' class.
